

WAILUKU ARTS DISTRICT PLAN

The County of Maui is working with a team of Wailuku-based arts programs, businesses and cultural practitioners, to designate Wailuku Town (*currently: Central Avenue to High Street and Wells Street to Mill Street*) **as an official arts district.**

We are currently developing a **Wailuku Arts District Management Plan**, with a targeted 2023 delivery.

We need your input to create a plan that captures community sentiment and values.
